

LISBON PRIVATE CITY TOUR

1 day

DAY 1

LISBON FULL-DAY TOUR

During this private Tour, you will discover Lisbon, the capital of Portugal, the city built on seven hills, located near the meeting point of the Tagus River with the ocean. It is the only European capital with sunsets on the sea, so close to golden beaches, with a captivating mild climate even in winter, when most other European cities are freezing. A charming and friendly city, with cosmopolitan population, World Heritage monuments, impressive museums. Here every corner breathes History, Culture and Art.

Our private driver/guide will pick you up at your Hotel and will lead you through a memorable and exclusive city tour. You can schedule your departure and this tour is completely adjustable to your desires. We can start discovering the beautiful area of Belem, an ode to the superb age of the Portuguese Discoveries. Here you will visit the Belem Tower and you will admire the Monument to the Discoveries, followed by the magnificent Jeronimos Monastery, considered one of the most stunning monuments of Portugal. Free time for lunch.

Then we will proceed to the charismatic Alfama district, the house of the traditional Fado music, with twisting streets wind up to an imposing castle on one of the city's highest hills. With whitewashed houses, flower-laden balconies and red-tiles roofs, it is a perfect mixture of a tourist site and residential area. You will also discover the most important squares of this city and the famous Liberdade Avenue. And during this gorgeous tour, you will also have opportunity to taste the delicious and sweet "Pastel de Belem", a typical pastry. Drop-off at your Hotel. End of our services.
