

# WHALE WATCHING & VISIT TO ISLETS

1 day

## DAY 1

### TERCEIRA ISLAND

Enjoy a magnificent whale watching trip! Discover the magnificent south coast of Terceira Island, watch dolphins and whales in their natural habitat, taste the flavors of our land and visit a unique nature reserve: this is the experience we suggest. The trip will be a true expedition because we are invited, not only to know the natural habitat of magnificent cetaceans, but as well as the Ilhéu das Cabras, one of the exclusive areas of the island (due to access by sea) and classified as a Special Protection Zone. Our shelter will be in one of the bays and Angra to enjoy a lunch served on board or at a local restaurant.
